

# At Zareinu, we're Making Miracles Happen

On May 25th, 2010 Zareinu Golf raised over \$400,000 thanks to the generosity and participation of our golfers and sponsors. Among the many highlights was the emotional equipment drive that raised in excess of \$50,000 for the children of Zareinu. Thanks to you, our supporters, Zareinu has been able to purchase much needed equipment and resources as well as specific therapies for each child.

We hope that as you review our materials, you can find a way to increase your level of generosity and support this year. Your dollars have a direct impact on the lives of children with special needs and their families.

**Thank you from the special children of Zareinu.**

**Zareinu** relies on the support and commitment of the community to help ensure that our children and their families can look forward to a future full of hope and promise. We need your support to *Make Miracles Happen*.
